SUBJECT: REPORT BACK RELATED TO ITEM NO. 3 – PUBLIC HEALTH NURSES
AND THE EFFECTIVENESS OF THE JOINT PILOT PROGRAM

At the Board of Supervisors' meeting held August 2, 2016, Supervisor Ridley-Thomas instructed you to provide recommendations to the Board on how to effectively maximize the use of Public Health nurses; and instructed the Director of Children and Family Services to report back with further research and analysis including soliciting feedback from social workers, children social workers and Public Health nurses on the effectiveness of the joint visitation initiative, the pilot effort and the overall role of each contributing component, and consider obtaining feedback from the families that have been or would be served by the Pilot program.

Enclosed is a copy of the portion of the meeting transcript to assist you.
